

WORKSHOP #1 OPEN HOUSE RESULTS

Date/Time: March 12, 2026 – 5:00pm to 7:00pm

Location: North Ogden Court

North Ogden City hosted Kimley-Horn for their Barker Park Community Outreach Meeting. The Master Plan team hosted an event inside the North Ogden Court building, with boards highlighting most important amenities and sharing big ideas that could be included as part of the master plan. The team facilitated dotocracy activities, allowing attendees to vote on their important amenity options.

A hands-on activity was planned by the team to showcase aerials of the park areas and allow manipulatable ‘amenity’ options to be laid out over top of the map to see possible options. Additionally, team members shared information about the project, gave out survey information and distributed business cards with a link to the project website, where participants could learn more, complete the online survey, and access virtual tools.

Breakdown of Votes Per Activity

What is Most Important?	Total
Walking/Biking Trails	17
Adventure Play	16
Pavilions	16
Outdoor Event Space	12
Destination Playground	11
Outdoor Fitness Equipment	10
Pickleball	10
Pump Track	8

Share Your Big Idea!

Overall Comments

- Lots of desire for sense of history: heritage preservation, educational signage, native plants/botanical garden feel, etc.
- Lots of desire for greater range of “chill” events like art classes, chalk art festival, farmer’s market, food trucks
- Walking and jogging path with exercise stations
- Shade over playground and better playground: options for tots vs. big kids
- Incorporate water: streams, water features, splash pad

Individual Comments

- Incorporate historic time period areas
- Heritage preservation (x2)
- Baseball or little league or softball field
- Walking path
- Multi-functional parking (doubles as event space like chalk festival)
- Water features
- Jogging/walking path around exterior of park
- Plan 2600 to be a parade route for grand opening of park, with a view to permanent change for cherry days
- Little plaques with local facts (plant species, fauna, area history etc.)
- Shade over playground and over benches
- Farmer’s market (x2)
- Food truck place
- Jogging/walking paths with exercise stations throughout the park
- Pickleball courts
- Native plant botanical gardens
- Maintain and improve nature trails by streams
- Mountain biking track
- Shaded playground
- Playground for littles near pickleball or soccer, plus playground for bigger kids
- Splash pad or river
- Shaded playground
- Splash pad
