

HELP SHAPE THE FUTURE OF STATE ROUTES 12 AND 113

State Routes 12 and 113 Resilient Comprehensive Multimodal Corridor Plan Development

The **Solano Transportation Authority (STA)** is developing Comprehensive Multimodal Corridor Plans (CMCPs) for State Route 12 (SR 12) and State Route 113 (SR 113). The plans will identify transportation needs and guide future improvements to make travel along and around these corridors **safer, more connected, and more accessible for everyone**.

YOUR VOICE MATTERS!

Community input is essential to developing plans that reflect the needs of those who live, work, and travel along and around SR 12 and SR 113 and help improve safety, mobility, and access along the corridors.

Share your travel experiences and needs to improve safety, mobility, and access along the corridors at our **upcoming virtual community meeting**.

JOIN THE VIRTUAL COMMUNITY MEETING

Date:

Tuesday, September 22, 2026

Time:

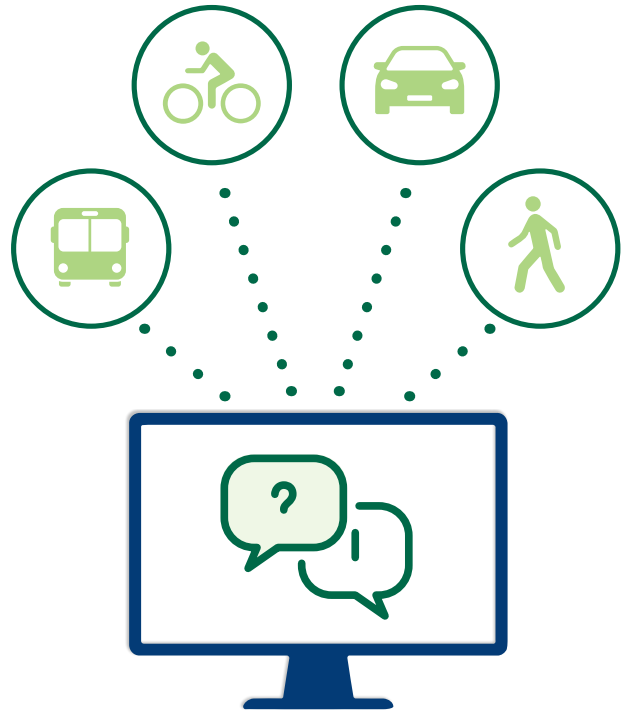

6:00 PM

Location:
