

Zero Compromises on Safety For All

JOIN THE CONVERSATION.

Share your thoughts on the **Top 10 corridors** for safety improvements.

SPC, PennDOT, Allegheny County, and the City of Pittsburgh are advancing their Vision Zero commitment to eliminate traffic deaths and serious injuries.

We've identified 10 corridors with the greatest potential for safety improvements and need your input to help set priorities. These corridors were selected using crash data and community feedback; others were excluded due to planned or ongoing projects.

Visit our [website](https://bit.ly/AlleghenyCountyVisionZero) to learn more about the safety action plan.
