Focus Area Boundary

Parks

Schools

The map displays the Downtown Mansfield Focus Area, outlined in blue. Roads within the focus area are highlighted in orange, including Walnut Creek Dr, N Wisteria St, E Broad St, E Dallas St, S Main St, S 2nd Ave, and Hunt St. Local roads are shown in white. A railroad line runs horizontally across the center. Parks are shaded in green: Town Park, Katherine Rose Memorial Park, Robert and Ann Smith Park, and Julian Feild Park. Schools are marked with blue icons: Erma Nash Elementary and The Phoenix Academy. Social pinpoint comments are represented by colored circles: orange for Pedestrian Safety (16), green for Accessibility (1), blue for Bicycle Safety (0), and grey for Other Comments (46). Callout boxes provide specific feedback:

- Top Left:** "The number of people who jaywalk across this block is big, and the volume of traffic seems to increase every day. We need a pedestrian-operated mid-block crossing" (points to S Main St).
- Top Right:** "Need sidewalks from Wisteria St. down to school for kids to safely walk" (points to N Wisteria St).
- Middle Left:** "My child and I almost got hit at this intersection. Drivers ignore safety here, it's dangerous for pedestrians" (points to S Main St and S 2nd Ave intersection).
- Bottom Left:** "Drivers do not stop for pedestrians, signage needed" (points to S Main St and S 2nd Ave intersection).
- Bottom Left (lower):** "Need sidewalks here, people often walk but are having to compete with cars and speeding" (points to S Main St and S 2nd Ave intersection).
- Bottom Center:** "Drivers consistently stopping in crosswalks and not yielding to the right-of-way of pedestrians" (points to S Main St and E Dallas St intersection).

A scale bar at the bottom left indicates distances of 0, 0.15, and 0.3 miles. A north arrow is located to the left of the scale bar. The Mansfield Active Transportation and Safety Plan logo is in the bottom right corner.

Schools

The map displays the E Broad Street Focus Area, outlined by a blue boundary. The area includes several streets: Cannon Dr, Miller Rd, Ursula Ct, Chambray Ln, Vista Ridge Dr, Matlock Rd, Reserve Way, Walnut Hollow Dr, and E Broad St. Two schools are marked: Willie Brown Elementary (blue star) and Mansfield High School (blue polygon). The map shows social pinpoint comments as colored circles: orange for Pedestrian Safety (2), green for Accessibility (0), blue for Bicycle Safety (0), and white for Other Comments (29). Two callout boxes provide additional information: one points to a red circle on Cannon Dr with the text 'Add pedestrian signals at crosswalks', and another points to a red circle on Cannon Dr with the text 'Continue sidewalk along Cannon Dr. from cemetery to the arbors and add crosswalks near Market Street with pedestrian signals'. A scale bar at the bottom left indicates distances of 0, 0.15, and 0.3 miles. A north arrow is also present.

The map displays the Southeast Mansfield Focus Area, outlined in a thick blue line. Major roads are highlighted in orange, including Spring Lake Pkwy, National Pkwy, and Moring Glory Ln. Local roads are shown in white, such as Palmer Dr, Ridgeway Dr, Jasmine Ln, Sunflower Dr, Cobblestone Ct, and Fox Meadows Ln. A railroad line runs vertically through the center, labeled S Holland Rd. A school, Elizabeth Smith Elementary, is marked with a blue square. Two callout boxes provide context: one points to a location on Victory Ln with the text 'Obscured view of westbound traffic due to slight curve', and another points to a location on Calloway Dr with the text 'Difficult to see with cars parked along the street'. A scale bar at the bottom left indicates distances of 0, 0.15, and 0.3 miles. The Mansfield Active Transportation and Safety Plan logo is in the bottom right corner.

The map illustrates the crash history within the E Broad Street Focus Area. The area is bounded by Cannon Dr to the north, Miller Rd to the east, Matlock Rd to the south, and E Broad St to the west. The roads are color-coded: red for the High Injury Network, orange for Focus Area Roads, and white for Local Roads. Crash locations are marked with symbols: black circles for fatal injuries (0), red circles for suspected serious injuries (7), yellow circles for suspected minor injuries (52), and white circles for non-injured or possible injuries (256). Pedestrian crashes are marked with triangles (A: 0, B: 0, N: 0) and bicycle crashes with stars (A: 0, B: 0, N: 1). The map also shows the locations of Willie Brown Elementary and Mansfield High School. A legend, scale bar (0 to 0.3 miles), and north arrow are included.

The map displays the Downtown Mansfield Focus Area, outlined in blue. It shows a network of roads color-coded by traffic volume: green for 0-3500 AADT, light green for 3501-11000 AADT, and yellow for 11001-21000 AADT. Key roads include Walnut Creek Dr, E Broad St, E Dallas St, Hunt St, S Main St, and S 2nd Ave. The map also identifies several parks (Town Park, Katherine Rose Memorial Park, Robert and Ann Smith Park, Julian Feild Park), schools (Erma Nash Elementary, The Phoenix Academy), and Geyer Commons. Traffic control measures are indicated by icons: Four Way Stops (red octagons), Traffic Lights (blue squares), Speed Limit Signs (white rectangles), Railroad Crossings (white Xs), and School Zone Signs (yellow pentagons). A scale bar (0 to 0.3 miles) and a north arrow are located in the bottom left corner.

Focus Area Boundary

This map illustrates the bicycle and pedestrian infrastructure within the Downtown Mansfield Focus Area. The area is bounded by a thick blue line. Key features include:

- Parks:** Town Park, Katherine Rose Memorial Park, Robert and Ann Smith Park, and Julian Feild Park are shown in light green.
- Schools:** Erma Nash Elementary and The Phoenix Academy are marked with blue building icons.
- Streets:** Major roads like E Broad St, E Dallas St, and S Main St are highlighted in orange. Other streets shown include S 2nd Ave, Hunt St, Walnut Creek Dr, and N Wisteria St.
- Infrastructure:** Various colored lines represent different types of infrastructure: green for trails, purple for bike lanes, cyan for buffered bike lanes, magenta for share the road signage, red for shared lanes, blue for sidewalks and sidepaths, and orange for focus area roads.
- Land Use:** Yellow dots indicate commercial areas, and purple dots indicate special use areas.

A north arrow points towards the top left. Below it is a scale bar marked with 0, 0.15, and 0.3 miles.
